From the President's Desk

I am delighted to inform that PDEA has completed 75 years in providing education from pre-primary to post graduation and setting up active centres for research work. At present, around 1 lakh students are enrolled in different institutes of PDEA. Apart from educational ventures, varied activities are periodically implemented for societal needs. An outcome of the untiring efforts of all office bearers has resulted in the management receiving the Best Educational Institution Award. I am proud with the progress of PDEA and all its branches for creating an identity and benchmark in the field of education.

It gives me a great pleasure to welcome you as a valued student at our Institute's premier college. Driven by its *Vision* and *Mission*, dedication to core Principles & Values, the Pune District Education Association (PDEA) has made a significant difference in education sector and has emerged as a model institution for quality education delivery. The trust has a rich and glorious tradition of imparting value education, grooming and nurturing students for last seven plus decades. It has set standards not only for other educational institutions but also provides guidelines for future developments. We are committed to transform PDEA into a world class educational institution that would pave way for generation and dissemination of knowledge, quality human resource with resolute moral and ethical values and positive attitude.

Our college is continuing its march towards excellence in teaching, research and co-curricular activities and it stands committed to providing access to modern educational facilities like laboratories, libraries, auditorium, conference hall, class rooms with computers and internet facilities along with infrastructure in the form of the *state-of-art* buildings. On your career path, I advise you to be thoroughly professional in your approach right from choosing the course to its successful completion. While we are constantly trying to provide best learning opportunities to our students admitted to various programs, we expect the students to put themselves actively in the learning process and make the best use of the available facilities and opportunities. This will enable them to become members of a responsible & respectable learned community and help them to develop capabilities to manage processes of change so also the uncertainties in the present era of competition.

My best wishes are with you. I believe that your endeavor will contribute to your own growth and to the development of your college and indeed the PDEA, society and the country at large.

Ajit Pawar
President

Pune District Education Association, Pune

Message From the Honorary Secretary

Dear Students and Parents,

The colleges and schools of PDEA are shrines of knowledge where students receive quality education and develop capabilities in order to meet the challenges of the time. Our trust, incepted in 1941 with the clear Vision of 'Bahujan Hitay, Bahujan Sukhay' and the Mission of providing basic education to eradicate illiteracy in those times, has now blossomed into a network of schools, colleges and technical institutes. The trust has been engaged in providing students the concept of one-stop-shop for education i.e. completing their entire education from schooling to graduation, post graduation to Ph.D. in the traditional Arts, Science, Commerce and also Computer Science, Pharmacy, Management, Ayurveda, Engineering, Microbiology streams at one place. We have provided the State of the Art buildings with modern amenities such as well equipped laboratories, rich libraries, internet facilities, auditoriums, play grounds, etc. This has been backed with the experienced and talented faculties to extend knowledge to the students. In order to maintain the quality of education, our colleges have been accredited and re-accredited through the NAAC. We are proud to receive the Best Educational Institution Award of the Government of Maharashtra in 2000. Indeed, this endeavor of ours has made the PDEA, the educational destination of the first choice for the students.

We at the PDEA's colleges and schools believe in an all-round holistic development of our students through a multitude of curricular, co-curricular and extracurricular activities. I congratulate you for your right choice, selecting our college / school for your career development. However, I appeal you to carry out your cardinal duty of learning very sincerely in order to develop proficiency in written and oral communication and to achieve your set goals. I promise you that our experienced and competent faculties are with you to help at all occasions.

Wish you all the best !
