From the President's Desk

I am delighted to inform that PDEA has completed 82 years in providing education from pre primary to post graduation and setting up active centres for research work. At present, around 1.5 lakh students are enrolled in different institutes of PDEA. Apart from educational ventures, varied activities an periodically implemented for societal needs. An outcome of the untiring efforts of all office bearers has resulted in the management receiving the Best Educational Institution Award. I am proud with the progress of PDEA and all its branches for creating an identity and benchmark in the field of education. It gives me a great pleasure to welcome you as a valued student at our Institute's premier college driven by its vision and mission, dedication to core principles & values. Pune District Education Association (PDEA) has made a significant difference in education sector and has emerged as a model institution for quality education. The trust has a rich and glorious tradition of imparting value education, grooming and nurturing students for last eight decades. It has set standards not only for an educational institution but also provides guidelines for future developments. We are committed to transform PDEA into a world class educational institution that would pave way for generation and dissemination of knowledge, quality human resource with resolute moral and ethical values and positive attitude

Our college is continuing its march towards excellence in teaching, research and co-curricular activities and it stands committed to providing access to modern educational facilities like laboratories, libraries, auditorium, conference hall, class rooms with computers and internet facilities along with infrastructure in the form of the state-of-art buildings. On your career path, I advise you to be thoroughly professional in your approach right from choosing the course to its successful completion. While we are constantly trying to provide best learning opportunities to our students admitted to various programs, we expect the students to put themselves actively in the learning process and make the best use of the available facilities and opportunities. This will enable them to become members of a responsible and respectable learned community and help them to develop capabilities to manage processes of change so also the uncertainties in the present era of competition.

My best wishes are with you. I believe that your endeavor will contribute to your own growth and to the development of your college and indeed the PDEA, society and the country at large.

Ajit Pawar
President, PDEA, Pune

Message From the Honorary Secretary

Dear Students and Parents,

The colleges and schools of Pune District Education Association are shrines of knowledge, where students receive quality education and develop capabilities in order to meet the challenges of the time. Our trust, incepted in 1941 with the clear vision of 'Bahujan Hitay, Bahujan Sukhay' and the Mission of providing basic education to eradicate illiteracy in those times, has now blossomed into a network of schools, colleges and technical institutes of one stop. The trust has been engaged in providing students the concept of one-stop shop for education i.e. completing their entire education from schooling graduation, post graduation to Ph.D. the traditional Arts, Science, Commerce and also Computer Science, Pharmacy, Management, Ayurveda, Engineering, Microbiology streams at one place. We have provided the State of the Art buildings with modern amenities such as well equipped laboratories, rich libraries, internet facilities, auditoriums, playgrounds, etc. This has been backed with the experienced and talented faculties to extend knowledge to the students. In order to maintain the quality of education, our colleges have been accredited and re-accredited through the NAAC. We are proud to receive the Best Educational Institution Award of the Government of Maharashtra in 2000. Indeed, this endeavor of ours has made the PDEA, the educational destination of the first choice for the students.

We at the PDEA's colleges and schools believe in an all-round holistic development of our students through a multitude of curricular, co-curricular and extracurricular activities. I congratulate you for your right choice, selecting our college/ school for your career development. However, I appeal you to carry out your cardinal duty of learning very sincerely in order to develop proficiency in written and oral communication and to achieve your set goals. I promise you that our experienced and competent faculties are with you to help at all occasions.

Wish you all the best!

Adv. Sandeep Kadam
Honorary Secretary, PDEA, Pune
Senate Member, SPPU, Pune

Principal's Message

Dear Students,

It is my great pleasure to welcome you at PDEA'S Mamasaheb Mohol College. It is my honour to introduce you to the world of opportunities that await you within our esteemed institution. We strive to provide an environment that nurtures your academic, personal, and professional growth. Our college is more than just a place of learning, that fosters a spirit of excellence, innovation, inclusivity and keen towards the holistic development of students through the new Indian and global education.

This year is very special to us as Maharashtra state government has decided to implement the most awaited National Education Policy from the academic year 2023-24. **NEP** envisages a comprehensive and inclusive higher education system that will prepare students for the global challenges of the future. The new education policy mainly focuses on multidisciplinary approach, vocational integration, globalization, inclusivity and Indian knowledge system. In view of this our college is well prepared to welcome **NEP** in the coming academic year and undertaken various initiatives. **National Conference on NEP** was organized on 16th and 17th Feb 2023 in which more than 70 research papers were published and grossed funding of 1 lakh rupees from SPPU. Our faculty participated actively in workshops on **NEP**. The college runs **NPTEL SWAYAM local chapter** aiming online courses for extra credits. Registration for **academic bank of credits (ABC)** has been done and we practice technology enabled teaching learning which is prerequisite of NEP. The college offers **skill-based Add-on courses** for each student every year which is the best practice of the college.

The college has tradition of excellence and achievements. During previous year the college secured various prizes the most remarkable are: Best Red Cross Society Unit Award, Maharashtra State Election Commission Best Nodal Officer Award, Edu Youth Internship Award, Best Short Film Award by PMC, participation in Athletics and Para swimming competition held at America and Itlay, Four Medals at Inter University National Tournaments and **Khelo India** National Games.

The college achieved noteworthy progress in curricular, co-curricular, extra-curricular and student support systems. **Fourteen** active **MoUs** were signed with different institutions and corporate offices for **training, placement and scholarships**. Financial support provided to students through Government, University and private organizations. Large number of career counselling programs and two placement drives were organized in which 100% placement assistance was provided. Youth **Counselling Centre** was established in association with Goran Groskopf foundation (Sweden).

We offer a wide range of academic programs across Arts, Commerce and Computer Science at Junior college (10+2), Vocational (Electrical, automobile and Electronics) and Senior college level. There is provision of Bifocal Computer Science and IT at Junior college. The senior college has variety of choices such as B.A. (Economics, Marathi, Political Science, English), B.Com. (Cost Accounting, Banking, Business Administration), BSc(Computer Science) BBA(CA) ,B.Voc. (Software Development and Retail Management), M.A. (Economics, Marathi), M. Com. (Cost Accounting, Banking, Business Administration), M.Sc. (Computer Science), M.B.A.(Distance) and commerce research centre (Ph.D.).

Our dedicated faculty members are experts in their respective fields, are committed and passionate not only about teaching but also serve as mentors and guides, empowering students to reach their full potential. Three faculty members are elected and nominated on BOS SPPU. The college has state of art facilities from well-equipped laboratories and modern classrooms to library equipped with a vast array of resources. Support systems like placement and entrepreneurship cell, NSS unit, Gymkhana and playground are in place. We have Quality monitoring and enhancement system through working IQAC.

We are confident that our college will provide you with the knowledge, skills, and experiences you need to thrive in a rapidly changing world. Together, let us embark on a transformative educational journey that will shape your future and enable you to make a meaningful difference in the world.

With Warm Regards,

Dr. G. P. Satav, Principal

Research project work:

There will be a Research Project to be prepared by a student during the fourth semester. The objective of the project work is to introduce students to research methodology in the subject and prepare them for pursuing research in theoretical or experimental or computational areas of the subject. The project work is to be undertaken under guidance of a teacher allotted to a student by the department.

Division of marksMarks

Synopsis with working bibliography (Internal Assessment)	40
A full project Report (Minimum 50-80 pages)	40
Viva Voce	20
Total	100

As the Research Project is based on the self-study done by the candidate and evaluated for 100 marks altogether, having four credits. The project may be evaluated by two examiners one internal and one external, selected from the panel of PG examiners of the University. The Viva voce must be conducted by the teachers selected out of the panel of PG examiners maintained by the University.

The candidates have to submit the project 15 days before the commencement of the fourth semester university examination. The project report shall be type-written and submitted in duplicate. A candidate who fails to submit the project may resubmit the same in the subsequent semester examination for evaluation. The project work activities must be duly supported by documentary evidence to be endorsed by the Head or Guide.

Standard of passing:

A candidate shall be declared to have passed in the paper provided he/she has secured minimum GP of 4.5 in the UNIVERSITY EXAMINATION and GRADE POINT AVERAGE of 4.0 in aggregate of UNIVERSITY GRADE and INTERNAL ASSESSMENT taken together.

Classification of successful candidates:

Candidates who secured not less than 60% of aggregate marks (INTERNAL ASSESSMENT +UNIVERSITY EXAMINATION) in the whole examination shall be declared to have passed the examination in the first class. All other successful candidates shall be declared to have passed in second class. Candidates who obtain 70% of the marks in the aggregate (INTERNAL ASSESSMENT +UNIVERSITY EXAMINATION) shall be deemed to have passed the examination in first class with distinction.

A student who passes in all the courses will be declared to have passed the M.Com. degree with the following honors.
