21/11/2022 Women Health Awareness Camp:

MamasahabMohol College Paud Road, of Pune District Education Association National Service Scheme and Women's Cell and Family Planning Association of India organized a women's health awareness camp on 21/11/2022 in the college at this time Principal Dr. Satav G. P., Dr. SonaliTalwalikar F. P. A. I GoranGroskoff Family Clinic, Dr. ShivajiShinde, Dr. SrinivasaIpalpalli, Dr. ShobhaTitar, Dr. Ashok Shelke, Dr. RupaliShendkar, Dr. Swati Shinde, Prof. Gauri Marne, PriyankaJadhav, Dr. SunitaDakle, Dr. MeghnaBhosle, NitinDalvi were present.

While guiding the attendees, Dr. SonaliTalwalikar said "Many women are neglecting themselves in the pursuit of a career, a job. Yesterday's young woman who had a career became a married woman after marriage. The role of a woman who takes responsibility as a wife, mother has changed. But the role of men has not changed. So women are constantly burdened. Waking up early, cooking Women are stuck under the burden of doing, taking care of children, and also taking care of the responsibility if there is a job. So they don't want to pay attention to their own health. Women's health is of unique importance when considering the overall national health. This cannot be denied. If the health of the women of the country remains good, it can definitely result in the overall development of the country. Today, the health of women in our country has become a matter of concern and contemplation. The development of these women should be done from childhood. It is necessary to protect her physical and mental health."

Principal Dr. Satav G. P. Said "If the health of the house wife is good, she can take good care of others; but if she herself is sick with some problem, the whole family is sick. This is the experience of all. Women's mentality is often to blame the disease on themselves. Only when it

worsens, they seek medical advice. They are prepared. It is necessary to enlighten them in that regard as well."

The program was organized by National Service Scheme Program Officer Dr. SrinivasaIpalpalli, Dr. Ashok Shelke, Dr. ShobhaTitar, Head of Women's cell Dr. RupaliShendkar, Dr. Swati shinde, Prof. Gauri Marne, Shri.Ganesh Sable.

7/4/2023 World Health Day:

On behalf of Pune District Education Association's, MamasahabMohol College, Paud Road, RashtriyaSevaYojana, Yuva Red Cross, Women's Cell and VidyarthiVikasMandal and in collaboration with Family Planning Association and GoranGrosskopf Family Clinic, ChandniChowk, Kothrud Health Awareness among Youth on World Health Day An online lecture was organized on this. For this, Dr. Ramesh Bhosle, former professor of Obstetrics and Gynecology Department and head B.J. Government Medical College, Principal Dr. Satav G. P., Hon. ArchanaSasane, Shri. NitinDalvi was present.

Dr. Ramesh Bhosle said that young age is a very 'happening' period of life, but from the point of view of health, occasional and frequent eating out, boredom of exercise, study, career, friends, stress on the mind while dealing with different levels and being neglected, Many things happen at this age, such as getting into drinking or smoking with the company of friends. Many medical experts say that many of our habits are formed during adolescence and later adulthood, and we continue to act accordingly throughout our lives. So adopt good health habits while still young. Many health studies of adolescent children and youth seem to be confused about the basic concept of what it means to be 'healthy'. According to many girls and women, 'healthy' means either being fat or 'healthy' is 'zero figure'. This definition of health is based only on superficial

appearance. Health actually means 'fitness'. 'Six Pack Abs' or 'Zero Figure' is not important in itself but it means to be strong, healthy, and active. So basically we need to check what our concept of health is, and it should be done at a young age, in fact even earlier.

The program was organized Under the guidance of Principal Dr. Satav G. P. National Service Scheme Program Officer Dr. SrinivasaIppalpalli, Dr. Ashok Shelke, Dr. Dr. ShobhaTitar Women's Cell Head. RupaliShendkar, Prof. Gauri Marne, Prof. PriyankaJadhav, Dr. PrakashHumbad were arrange the programme.
