A Report on two Days Workshop On "INTELLECTUAL PROPERTY RIGHTS"

15th & 16th Feb 2019

Board of Student Development [BSD] of Savitribai Phule Pune University and IQAC and Post Graduate Departments (Computer Science, Commerce and Arts) jointly organized two day's workshop on "**Intellectual Property Rights**" on 15th and 16th Feb 2019 under the guidance of Hon. Principal **Dr. Sushama Bhosale** and **Dr. Adinath Pathak**, Student Development officer, Mamasaheb Mohol College, Pune.

The workshop was inaugurated by the resource Person **Mrs. Pallavi Kale** from Nice Systems, Pune, **Dr. Sapana Rane**, IQAC Coordinator, The coordinator of this workshop was **Prof. Gauri Marne** and **Prof. T.D. Jadhav** from Commerce department. The inaugural ceremony was preceded with the felicitation of honorable dignitaries.

This workshop has directed by the knowledge partner “Great Mission Group Consultancy (GMGC): IPR Services Pvt. Ltd., Pune”. In this workshop the ResourcePerson Mrs. Pallavi Kale and Mr. Ganesh Hingmire briefly explained about IPR, Geographical Indications (GI), Trade Mark, License Copy, Copy Rights and Patentsetc.

On first day of workshop **15th Feb 2019**, **Mrs. Pallavi Kale** explained importance of IPR in everysector. She inspired participants to think about new inventions and how we can patent it.The formula behind that is **1 Invention =1 Patent and 1Patent = 1 Industry**. They Said “**We all are directly connected to IPR,Our everyday starts and ends with IPR**”. She explained by giving various examples like university of Texas takes patent of text message, Microsoft spy patent application, Yoga Patent, Dosa Patent etc.

On the second day of the workshop **16th Feb 2019**, Mr. Ganesh Hingmire explored career opportunities in IPR like IP Manager/Professional, IP Valuation, Patent Examiners, Patent Agent, Trade Mark Agent, Trade Mark Examiner etc. and required qualifications. He also shared the writing knowledge of research paper and explained necessity is the mother of research.

He also described Geographical Indication (GI) of various countries including India and explained with examples of Dargiling Tea, Ambemohor rice, Tirupati Laddu etc. He said that if your product is unique then you can register under the GI.

He also shared one of his experiences, they helped one student in making foldable e-bike. That e-bike runs on battery, after 1 charging it runs minimum 7 days. E-bike got a patent and in coming years it will come in use everywhere.

For this workshop total **60 students** participated. The session was interactive. The one of the outcome was he announced the free internship to interested students in his IPR organization. IQAC Coordinator, **Dr. Sapana Rane** has given introductory speech and **Prof. Deepashree Pokhalekar** has done compeering and **Prof. Harshada Bobade** gave away vote of thanks.
